Schemes of Improvement in the Sanitary Board area.
Improvements to the S. B. Market
at Andersonpet.

"E"

Adverting to Government Order No. L. 9276-82/ L. B. 33-44-19 dated 16th March 1945, sanctioning inter alia, the provision of Rs. 40,000/- made in the programme of Improvement Works (Rs. 15,000/- and Rs. 25,000/- for the first and second stages respectively), for effecting improvements to the Sanitary Board market at Andersonpet, I have the honour to forward herewith, an estimate for Rs. 41,000/- for the work together with the relative plans (blue prints) and a copy of the Sanitary Board's resolution No. 125 dated 21st December 1945 sanctioning the estimate. The report accompanying the estimate explains the details of improvements proposed to be effected at present, to the extent of funds available.

As it is, the market presents a very unsightly appearance with a number of ugly and ill-ventilated sheds and other structures. The improvements proposed are very necessary both from the point of view of sanitation and of the market revenue. This will constitute also the first stage of the work of clearing slums in the Andersonpet area and of improving the general appearance of the locality.
I request that sanction of Government may be kindly obtained to the Board's resolution in this behalf and communicated to this office at a very early date, to enable the work being put in hand without

P.T.O.

loss of time.

As a measure of convenience and with a view to avoid delay, both the stages of the work are proposed to be taken up simultaneously. Against the provision of Rs. 40,000/- made in the aggregate, for the two stages of the work in the Improvement Fund, the estimate now prepared is for Rs. 41,000/- which may kindly be sanctioned, as some saving can be anticipated by calling for tenders.

I have the honour to be,
Sir,
your most obedient servant,

PRESIDENT.
